

DIRECTOR OF TENNIS PROGRAM/HEAD TENNIS COACH

The WCA athletic department seeks a visionary leader to serve as the Director of the Tennis Program and as Head Coach of the Tennis Team. This is an exciting opportunity for a person who is interested in building a successful middle and high school co-ed program on the court while helping to mold young women and men into Christian leaders of character on and off the court. This is also a great opportunity to join a growing athletic program within the context of a supportive and dynamic Christian community.

The successful candidate will:

- be a mature Christian who will serve as a role model in the community and will represent WCA in a Christ-like manner throughout the Metro Conference, Virginia Independent Schools Athletic Association and the State of Virginia.
- be of impeccable character who will understand and fully support the mission and vision of the school, and will work well under the direction of our Athletic Director, Mrs. Pam Gibbons.
- be a team player who understands the importance of developing the whole student-athlete within the context of an entire athletic program, and will understand balance between academics, fine arts, and athletics.
- have exceptional communication skills.
- be an experienced high school or college coach that has a proven record of developing players to their fullest potential.
- have the ability to create opportunities for players, if they choose, to continue their careers on the collegiate level.

In concert with the Athletic Director, WCA's new Tennis Program Director will help develop an impactful Tennis program from the varsity level down to the elementary school.

Williamsburg Christian Academy is a Christian non-denominational, college preparatory prekindergarten through grade twelve independent school located in historic Williamsburg, Virginia. The school sits on a picturesque 56-acre campus and has two playgrounds, a gymnasium, numerous playing fields, and an auditorium/cafeteria. Academic spaces include large, well-lit classrooms, a lower school science lab, two middle and high school science labs, and a lower school library complete with a computer lab. Most importantly, the school is home to a dynamic and dedicated teaching team that serves as role models and mentors and has a commitment to living out the Christian faith. Administrators, faculty, staff, and coaches partner with families to help kids reach their full potential amidst a complex world.

To apply, please forward your resume with an attached cover letter outlining why you are a match for this position via e-mail to Mrs. Pam Gibbons, Director of Athletics, at the following address:
